Dear

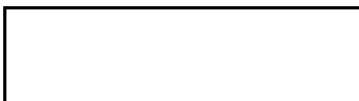

Thank you very much for calling at my office a few days ago to further discuss job possibilities in this organization.

While we have recently received a new table of organization, no increase in our personnel ceiling has been authorized, which prohibits us from filling some of the positions authorized in the new table of organization. For this reason, I am not in a position to offer you a position at this time, pending a more careful analysis of our grades and ratings and a readjustment thereof to conform to the new table of organization.

I shall keep your application in our active file and contact you if, and when, something becomes available for which I feel you are qualified.

Very truly yours,
